To Whom it May Concern:

The Lake Tahoe Hi-Lo's is a 501(c)(7) (ID#23-7117168) established in 1966. The mission of the Hi-Lo's is to provide a family outdoor recreation activity to those in our community while donating to local charities and trail organizations that will allow future generations to enjoy off-road use.

Each year our only fundraiser is the Annual Gambler's Poker Run, this event allows us to donate to local charities like The Boy's and Girl's Club, Live Violence Free, Local schools, Friends of the Rubicon, and much more. Our members spend a lot of time doing trail work and cleanup to help keep our local trails open.

Our 32nd Annual Gambler's Poker Run will be held on August 17, 2024, near Markleeville, at junction of Hwy 4 & Wolf Creek Rd. We expect between 70 to 100 vehicles to attend each year. The attendees get to enjoy a scenic, guided, slow moving 4-wheel drive trip over designated forest service roads. Afterward they come back to camp where they enjoy a BBQ and Raffle. Most of our attendees come in Friday and stay till Sunday, enjoying visiting with other four-wheeling friends from years past. You can review current information on the Poker Run at <http://www.laketahoeilos.com/gamblers-pokerrun>.
